

Building & Dockside Series (Resin)

- RB17** Wide Dockside 150x27x4mm £2.70
With stonework detail deeply etched on the surface and with buttresses on the front. This is a very versatile item which can be used to extend RB23 or to create a small harbour with the metal Harbour Set (M39).
- RB18** Narrow Dockside 150x21x4mm £2.70
Similar to RB17, with stonework detail deeply etched on the surface and with buttresses on the front. Being narrower, it is useful where space is at a premium.
- RB19** Harbour Wall 159x10x10mm £2.70
With gun port openings and deeply etched stonework detail on all facing surfaces. Join/cut as required.
- RB20** Harbour Wall 167x10x5mm £2.70
Similar to RB19 but thinner. Ideal used as an internal dockyard wall in conjunction with Lg Gateway (M35).
- RB21** City Wall Set £15.00
comprising left, right and centre bastion.
- RB22** City Wall Bastion £5.00
(left, right or centre - please specify)
An individual bastion can be used either to extend the City Wall Set (RB21) above; or on its own in a variety of wargames settings.

Two alternative uses of City Wall Bastions for the wargames table.

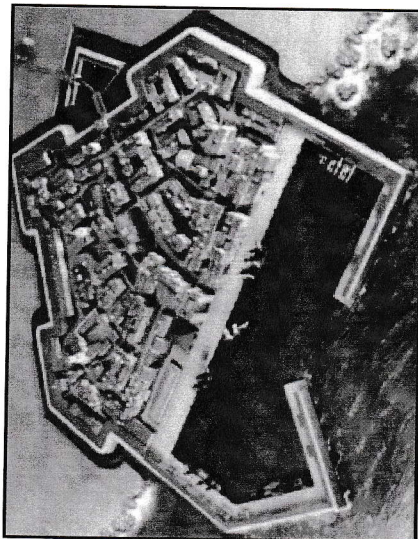

- a) centre bastion;
b) centre & left bastion

Combined city and harbour setting covering an area of approx 50x60cm. (RB21&RB23).

The Ravelin (RB24) is in the top right corner.

Note also the use of sets of rocks on the coastline.

- RB23** City Harbour Set £15.00
Comprising 5 pieces which together take the shape shown in the foreground of the photo above.
- RB24** Ravelin (104 at widest measure, H: 9mm) £2.70
Ravelins were used initially as a fortification, however, if and when overrun, defenders could fall back and fire down into the ravelin from the wall above.
- RB25** Slipway & Dry Dock Set £7.50
A resin base which incorporates two slipways, dry dock and two harbour buildings. Also, in white metal: a ship 'under construction', support props, a separate dry dock gate and dockside miscellaneous, eg piles of timber.

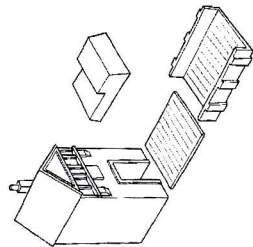

Ravelin Gate House & Bridge (Ref: M32)
Gatehouse, Drawbridge, Bridge and blanking piece (to block side where gateway is not required).

City Wall Gate House & Bridge (Ref: M33)
Gatehouse, Drawbridge, Bridge and blanking piece to maintain uniformity of the wall frontage.

Offered as separate items as they can be used in other situations.

M32 - £2.00 M33 - £2.00
